

# SUMMER RESEARCH PLACEMENT OPPORTUNITIES

## FOR UNDERGRADUATE & GRADUATE STUDENTS

SCHULICH SCHOOL OF MEDICINE & DENTISTRY  
WESTERN UNIVERSITY  
LONDON, CANADA

**Western**  
UNIVERSITY • CANADA

## PROGRAM OVERVIEW

---

The Schulich School of Medicine & Dentistry at Western University, offers research placement opportunities for undergraduate & graduate students enrolled in a medical science program outside Canada. Students eligible for the research placement position will have the chance to spend the summer working on cutting-edge medical research projects with one of our internationally-renowned faculty members. Successful applicants will be matched with a professor in their desired field of study and will gain practical research experience to further their education and experiential learning.

## ABOUT WESTERN UNIVERSITY

At Western University, our heritage of excellence continues to draw exceptional faculty, staff and students from around the world. International students choose to study at Western due to our internationally-renowned faculty members, world-class research facilities and infrastructure, excellent graduate-level funding, and the high calibre of our academic programs.

Approximately 15% of our students are from outside of Canada, representing countries from all over the world.

# ABOUT SCHULICH SCHOOL OF MEDICINE & DENTISTRY

The Schulich School of Medicine & Dentistry has a long tradition of excellence, beginning with founding of the medical school in 1881 and continuing with the formation of the dental school in 1964. Our reputation has been built by dedicated teachers, breakthrough discoveries, our commitment to social responsibility and our affinity for strategic partnerships. Today, Schulich Medicine & Dentistry is a leading Canadian centre of outstanding education and research shaping health care for the next generation. For more information, please visit: <http://www.schulich.uwo.ca/>

## LIVING IN LONDON, CANADA

Set in the heart of Southwestern Ontario, London is the region's economic, entertainment and cultural hub. With a population of approx. 4000,000, London is Canada's 11th largest city and an ideal environment to work, play and live. Big enough for the 'big city' experience, but still far more affordable in comparison with many other Canadian cities, London boasts an extensive educational and health care community, while providing the safe and clean atmosphere of a small community.

For more information about living in London, please visit: <http://www.uwo.ca/about/visit/london.html>
